

Why BLISS?

Best Life Individual Support Services is an NDIS-registered disability support company established in early 2021. **BLISS** is an Indigenous-owned and operated person-focused organisation built on the good reputation of our clients. We love supporting people of all ethnic and cultural backgrounds. We offer a diverse and flexible range of services to best suit each individual. BLISS takes pride in providing choice and control for all our participants whilst ensuring our amazing team of experienced and qualified support workers receive ongoing skill development to ensure that our participants have the *best* standard of care.
